

Will you please distribute the enclosed information to your members? We realize that Langford is quite a drive for you, but we really think that if you came, you would be very glad you did. We always enjoy meeting new people & seeing their cars.

We are very proud of our show. Last year we had 136 entries. Everything from an early 1900's Stanley Steamer to a 1982 Delorean. We have awards for 1st & 2nd place in 10 categories & also drawings for prizes. There is no entrance fee, you can park on the grass in our city park, & there are food stands available. Parking starts at 8 a.m.

Hope to see you there,
