- March 2018 Meeting
- April Birthdays
- Events Calendar
- 2018-2019 Officers
- This & That

President's Message

Greetings,

Mother Nature has, once again, reminded us that she is still in charge. With forecast snow in the coming days, Spring has been put on hold. The good part about this is that it will give us all time to get our vehicles ready for the show at Northridge Plaza on April 28-29. We will discuss the details at our April 16 meeting.

Please visit the Pierre Street Masters website for information concerning car shows in the region. Click on the Events tab on the front page. In addition, if you are attending car shows, please pick up any flyers that may be available for inclusion on our site.

We have a busy Summer planned and will have several opportunities to participate in several events as a Club. We are waiting for event details for the Fort Pierre Farmers

Market Shows as well as the Bassmaster's Classic event at Drifters. As soon as we receive that information, we will get it out to the Club. We have been asked to be a part of Taste of Oahe Days, an event we participated in last year. Details to follow.

We hope to have an update from Steve Brown and the Scholarship Committee at our next meeting. The deadline for applications is April 13. This is a great program and open to area high school seniors interested in pursuing a career in the automotive field.

We should be getting our first look at the 2018 Dam Run T-shirt graphic in the next couple weeks. As soon as we get that finalized, we will be contacting the membership for preorders and will begin a mailing to our past Dam Run participants. It is my hope that we can get those in the

mail in mid-May. August will be here before we know it and Kale will be calling on the membership for help as needed over the next few months.

Please remember our April meeting at Pub 34 will be Monday April 16, 2018. Dinner at 6pm and meeting at 7pm. Name Tags are required....or the tip jar will be calling....

Some of you may know of Tom Murphy's ongoing health concerns. Please keep Tom and Mary in your thoughts and prayers.

Thank you, again, for your continued support for the "recognition, restoration, preservation and safe operation of special interest automobiles."

Regards,

Marlin

March 2018 Meeting Minutes

Members Present: 23

President Marlin Roseland called the meeting to order.

The January 2018 minutes and treasurer's reports were read and adopted.

Club accolades: Congratulations to Steve Harding for receiving the most honored Williamson Militiaman Award from the SD National Guard. Car enthusiast, Brad Brake, from Aberdeen passed away in January; a sympathy card was sent to his wife. Tom Murphy is in Sioux Falls going through physical therapy after hip surgery. Members signed and sent a card.

Committee Reports:

- **Dam Run** - Kale Urban has started confirming arrangements for the August 2018 Dam Run. He has contacted the State to reserve the circle drive for the Show-n-Shine and the city to reserve Pierre Street for the Gearhead Reunion. The Lariat Lanes is reserved and a draft Dam Run logo has been sent to RMS Printing. Marlin Roseland thanked Kale and Beth for leading the Dam Run this year and their work in making contacts to get things reserved. Members were asked to sign up for each committee they would be willing to assist with during the Dam Run.
- **Website** - Marlin Roseland continues to add information and asked members to continue sharing items with him. A new website software may be needed in the future; Marlin will keep members posted.
- **Membership** - Chairman Rich Shangreaux is still enjoying the warm Arizona weather so no report from him other than the "South Dakota" group attended a Joe Foss car show in AZ.
- **Scholarship** - Steve Brown reported that the application has been distributed to surrounding school counselors and has been on our website. Applications are due April 13 so they can be awarded at our April club meeting.
- **Cruise schedule** - Cale Zickrick has the April cruise gathering scheduled for April 4 at Gators.

Old Business:

- **Events** - Several members attended the February Counts show in Rapid City. Our 2018 People's Choice vehicle owned by Orv and Linda Henrickson won best interior and second in his class at the show.

New Business:

- **Sioux Avenue Cruise** - Will be held June 9th with the main location being on East Sioux in front of Andersons Clothing and Quality Body Shop. Kale Urban is leading this event since the Ellerton's are relocating to Rapid City. Kale has received approval to close East Sioux in this area.
- **City Events** - Mayor Steve Harding shared that the city really appreciates the Street Masters willingness to participate in all the various city events.
- **Upcoming events** -
 - **Chamber Events:** Marlin Roseland shared that the Chamber has contacted him to see whether we would be interested in assisting with events planned for the summer. They would like to again have a vehicle show on the causeway during Oahe Days. May also want vehicles displayed at the Bass Masters Classic being held at Drifters. The date is still being finalized.
 - **Murdo** - We have been asked to help move vehicles at the Pioneer Museum Auction in Murdo on June 16.
 - **Fort Pierre Farmers Market** - The Fort Pierre Farmers Market organizers would like to again include a vehicle show at one of their evening Markets.
- **Northridge Plaza Show** - To kick off the summer events, the Northridge Plaza show is scheduled April 28 & 29 in conjunction with the Oahe Speedway. Marlin Roseland is collecting the list of members planning to have a vehicle in the show. Vehicles will be moved in April 27, Friday evening; the show ends Sunday at 4 p.m.
- **Oahe Speedway** - Has 10 races scheduled to begin Memorial Day weekend. Street Masters has two signs down the drag strip and the yearly advertising fee is \$750 for the two signs. A motion was made by Patrick Callahan, seconded by Steve Harding, to support the Speedway with the \$750 sign fee; motion carried.
- **April meeting** - The April meeting will be Monday, April 16 at 7 p.m. with members wanting to order a meal gathering at 6 p.m. at the Pub.

Meeting adjourned

Roxie Thielen, Secretary/Treasurer

April Birthdays

April 4 – Happy Birthday to Roxie Thielen

April 15 - Happy Birthday to Craig Urquhart

This and That

Department of Revenue unveils new MySDCars account setup: The South Dakota Department of Revenue's online motor vehicle customer portal, MySDCars, now features an improved, user-friendly login process. The Department of Revenue's motor vehicle division recently unveiled the new account setup in order to better serve its customers. Users may now create an account through three steps, as opposed to the previous system's seven-step method. The updated system also allows users to link business and individual accounts, providing vehicle owners the convenience of managing all of their vehicle actions through one account. "The Department of Revenue strives to be a leader in technology and provide convenient methods for our customers to conduct motor vehicle transactions," Motor Vehicle Division Director Lisa Weyer said. Since MySDCars was launched in 2013, an average of 70,000 South Dakota motor vehicle registrations have been renewed online per year. The online portal also allows South Dakotans to order specialty license plates, report a sale, print a seller's permit, change their address, opt-in for email renewal notifications and more. MySDCars is one of three options for South Dakotans to renew their motor vehicle registrations. Vehicle owners may also renew through their county treasurer's office or at any of the nine self-service terminals located throughout the state. For more information, visit <http://mysdcars.sd.gov>
