

August 2016

THE PREZ SEZ

Our Dam Run is this weekend; I hope everyone has signed up to help with an activity. If you have not, contact Frank Eich at 220-2042. Also, do not forget that members need to bring an ice cream bucket sized salad for the Saturday evening meal. Salads should be at the Lariat by 4 p.m. and can be put in the Lariat's walk-in cooler until the meal is ready.

If you have signed up to host a poker stop, be sure to have your game ready. Let's make sure all of our participants enjoy the Street Masters hospitality.

Thunder on the Prairie has invited us to participate in their car show on Main Street Thursday, September 1, at 5:30. Put this event on your calendar.

Our next club meeting is right after the Dam Run. The meeting will be Monday, August 15, at McClelland's Restaurant beginning at 7:30. Those wanting to gather for supper should arrive at 6 p.m.

BEEP BEEP!

Ann Curtis

STREET MASTERS MEETING SUMMARY – July 18, 2016

Members present: 25

Meeting called to order by Ann Curtis, President. The June 2016 minutes and treasurer's report were adopted.

Old Business

2016 Dam Run: Frank Eich will be attending the city commission meeting next week to finalize the city's approval for use of Pierre Street for the Friday evening gearhead reunion. Poker run stops were discussed. Various committees for the Dam Run had met in the previous weeks and everything appears ready for the event. Bob Thielen asked for help in soliciting sponsorship from various businesses. Each sponsor is provided a ticket for the Saturday evening meal. The amount requested for a sponsorship has been \$35. Members were reminded to bring a ice cream bucket sized salad for the Saturday meal.

Cliff Curtis Memorial Trip to Duluth, MN: Ann Curtis reported on the trip to Minnesota. No one had vehicle problems. A

good time was had by all. They did encounter rain at the beginning of the trip which resulted in some drivers finding leaks in their vehicles that they did not know they had. (The rumor, that the vehicles that leaked the most were GM products, was not verified by the Secretary; however, on the surface the rumor seemed reasonable to him.)

New Business

Lurene Denke reported on their trip to the Redfield car show; the show was a success.
