# Pierre Street Masters

MAY 2018

PO BOX 185, PIERRE, SD 57501

## President's Message

### Greetings,

After a few Summer-like days, We are back in the early Spring mode. Hopefully things will finally get on track and our Summer will begin.

Thank you to all participants in the annual Pierre Street Masters/Oahe Speedway Mall Show. We had a good representation of Club vehicles at the show.

This coming week will see the Club participate in the Mary House/Parkwood Car show as part of Nursing Home Week. Several Club members displayed cars last year and the residents thoroughly enjoyed the display.

Our 2018 Dam Run T-shirt graphic has been approved. I am sure you will agree that RMS Screen Printing and Embroidery knocked this one out of the ballpark...Orv and Linda gave it four thumbs up! We are in the process of taking preorders for the variety of styles and will have order forms at our next meeting

on May 21 at Pub 34. Please plan to preorder the items of your choice as soon as possible as we have a deadline of July 15 for preorders. Our Dam Run registrants will have the opportunity to pre-order their shirts also. We will only order a limited quantity of shirts/sweatshirts for sale at registration in August.

Our mailing to past Dam Run attendees will be sent out following our May 21 meeting. Please plan to help with stuffing the envelopes and attaching address labels following the meeting. Additionally, if you know of anyone that may be interested in attending the Dam Run, we can get the information to them.

We do have posters printed and plan to get them to all our sponsors and supporters.

I have been in touch with Dave Geisler at Pioneer Auto Museum and he is looking forward to our help in June. Details will be discussed at the meeting.

On that note, I am sure that you are aware the View34/Pub34 will be closing on June 2, Bob Burke announced earlier this month that the restaurant/bar will be closing. To that end, we will meet on May 21 for the last time at Pub34...Same times...Dinner at 6p/Meeting at 7p. Thanks to the staff at Pub34 for their hospitality and service.

We have secured the meeting room at Perkins, in Fort Pierre, for our monthly meetings. The June 18 meeting will be our first at Perkins. 6pm for Dinner/7pm for Meeting.

See you all on May 21 at View 34!

Thank you, again, for your continued support for the "recognition, restoration, preservation and safe operation of special interest automobiles."

Regards,

Marlin

# April 2018 Meeting Minutes

Members Present: 21

President Marlin Roseland called the meeting to order.

The March 2018 minutes and treasurer's reports were read and adopted.

**Club accolades:** Speedy recovery wishes were extended to Club members John Whaley after hip surgery and Marlin Roseland after having his knee scoped. Tom Murphy is improving and is soon expected to return to Pierre for physical therapy before returning home. Deb Eich is back at Avera in Sioux Falls doing more chemo treatments. Congratulations to Gary Johnson as he is featured in a TV political campaign ad.

## Committee Reports:

- **Dam Run** - Kale Urban is expecting the logo from RMS Printing in a couple weeks. Once received, the flyer can be created and distributed. Flyers will be mailed to Dam Run participants from the past couple years and distributed at Rod Runs members attend. The Cultural Heritage Center has been notified of the date for the gravity drags hoping to avoid event conflicts at the Center. The paperwork to request Governors Drive be blocked off is ready to present to the City. Kale plans to make that request in a couple weeks.
- **Newsletter** - Ardys Roseland reminded members that she would like birthdates to acknowledge in the newsletter. If members are not receiving or are unable to open the emailed newsletter, let her know. A handful of paper newsletters are being mailed to those without email.
- **Website** - Marlin Roseland cleaned up the website and continues to add links to summer events. Members were asked to share with him event information received when attending other shows.
- **Membership** - The membership form was updated to include membership chairman, Rich Shangreaux's personal mailing address so they are returned to him.
- **Scholarship** - No applications were received by the April 13 deadline. Steve Brown had visited with both Pierre and Stanley County figuring there may be some applicants but nothing was received. Members discussed ideas on further promotion to increasing the scholarship amount. A motion was made by Steve Brown, seconded by Mike Denton, to extend the deadline date to May 18 and to contact last year's alternate to see whether he plans to continue his program a second year and encourage him to apply again; motion carried.
- **Cruise schedule** - Our next gathering will be 6 p.m. at the Plaza April 28, at the Plaza show.

## Old Business:

- **Northridge Plaza Show** - Scheduled for April 28 & 29; vehicles will be moved into the Plaza Friday evening, April 27, beginning at 6 p.m. The ropes, stanchions, and cardboard for under the tires will be needed. Patrick Callahan plans to be on hand to record more club interviews.
- **Fort Pierre Farmers Market** - June 19 or July 31 have been selected as possible dates for the Club's participation. A final date will be determined as the time gets closer.
- **Pioneer Museum Auction** - Is scheduled for June 16. Marlin Roseland has a list of those planning to attend and assist with moving vehicles during the auction. Thank you to those volunteers.
- **Oahe Day's Show** - Scheduled for Thursday evening, June 21, at the causeway before the formal June 22-24 Oahe Day's events.
- **Bass Masters Classic** - Scheduled for Sunday, July 1, at Drifters. Details to come later.
- **Sioux Avenue Cruise** - Scheduled for June 9 in the area of Quality Body Shop and Andersons.

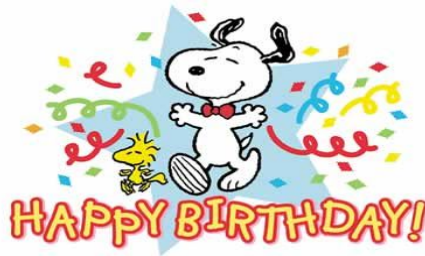

## New Business:

- **Pierre Green and Clean Project** - This is a project the Club participated in several years ago by cleaning ditches on Highway 34 from the View out of town to the bridge. Safety issues are a concern on these types of projects. Pat Callahan suggested that we work with Pierre's Parks Department for a safer project. Marlin will contact them for a possible project.
- **NSRA Safety Inspections** - Dave Hausmann indicated that it is time for the annual vehicle inspections. Members agreed to a May Saturday event including an evening potluck. Dave will visit with Dennis Ottenbacher, Exhaust Pros, to see if we can use his shop and decide on a date. Cale Zickrick offered his building and hoist the Wednesday before inspections for a pre-inspection, open hoist night, for members with "fixes" that needed to be done before the official inspection.
- **Name Tag Fund** - Members accepted the idea of sharing the name tag penalty fund dollars with Tom and Mary Murphy and Frank and Deb Eich to assist with expenses traveling to and from Sioux Falls. An "open container" will be available at the may meeting and then distribution.

**May Meeting** - Scheduled for Monday, May 21, at 7 p.m. with members wanting to order a meal gathering at 6 p.m. at the Pub.

Meeting adjourned

Roxie Thielen, Secretary/Treasurer

## May Birthdays

**May 18** - Happy Birthday to Robert Thielen

**May 26** - Happy Birthday to Kathy Hunsley

\*\*\*Members, please send your birth date to Ardys Roseland at [mrarwr@pie.midco.net](mailto:mrarwr@pie.midco.net) and it will be recognized in the upcoming newsletters. Age will not be included!!

## **This and That**

### **Ford Ends NA Car Production**

If you're looking to buy a car from Ford, you'll soon have only one choice: a Mustang. Faced with plunging demand and declining profits from its passenger car lineup, Ford will shift its resources to the booming side of the market: pickups, SUVs and cross-over-utility vehicles, said CEO Jim Hackett.

By 2022, Ford will eliminate such familiar nameplates as the full-size Taurus, midsize Fusion and subcompact Fiesta. It will continue producing the Mustang, the most popular vehicle in the sports coupe segment that has retained a sort of cult status. "We're going to feed the healthy parts of our business and deal decisively with the areas that destroy value," Hackett said during a conference call. "We're starting to understand what we need to do and making clear decisions there. This might be the boldest move Ford has made in many years."
